## EXPERIENȚA PROFESIONALĂ

**Unimat SRL****CEO&BUSINESS PARTNER**

*June 2014 - Present*

Pentru a construi durabil alege calitatea!

Povestea pentru afacerea UNIMAT a început ca o necesitate de a veni înaintea nevoilor clienților. Au fost făcute mai multe studii, care au arătat necesitatea creării unui partener de construcție care să ofere răspunsuri la problemele și întrebările pieței. Vânzarea materialelor de construcție a fost foarte rudimentară, iar punctul de vânzare era pur și simplu locul de unde clienți își puteau lua marfa. Astfel, UNIMAT a venit ca un răspuns evident la acest lucru. UNIMAT este locul unde, în afară de materialele de construcție, clientul poate, de asemenea, să afle exact ce face produsul și care este cea mai bună soluție pentru problema sa. Încetul cu încetul, compania a consolidat poziția uneia dintre cele mai bune vânzări printre companiile de materiale de construcții din Sibiu.

Exigenta este criteriul nostru în oferirea serviciilor de calitate!

**Asociatia Pro Palatul Copiilor Sibiu****Vicepresedinte onorific February 2019 - Present Sibiu County, Romania**

Asociatia Pro Palatul Copiilor s-a nascut din dorinta de a reabilita viitoarea locatie in care copiii nostri urmeaza sa-si desfasoare studiile. Vrem sa unim comunitatea pentru a atinge acelasi scop: Renovarea noii locatii a Palatului Copiilor de pe str. Henri Coanda nr. 51, in spate la Liceul Tehnologic Henri Coanda (Fostul internat al Liceului). E nevoie de multa munca, oameni uniti si maini de ajutor din partea tuturor. Impreuna putem!

Cand oamenii se unesc, miracole se implinesc!
