**VOLUNTEER WORK:**

Volunteer at Emergency Mobile Service, Sibiu, Romania 2006-2007

**HOBBIES & INTERESTS:**

sport (tennis, ski, swimming, jogging), music, interior design, reading, travelling.

**CAREER AIMS:**

My career aim is to become a consultant subspecialized in cataract and anterior segment and to achieve the highest skills in this field. Also, I have always been keen in ocular emergencies as I consider it extremely challenging and this is the reason why I have chosen to do my PhD in Ocular Trauma. I believe that my work ethic, interpersonal skills as well as my passion for ocular surgery will allow me to evolve into a well-rounded and accomplished surgeon.

**TEACHING EXPERIENCE:**

- Experience of teaching undergraduates and trainees.

**MANAGEMENT:**

- Organizer for the Annual Congress of Romanian Society of contact lenses, Sibiu, Romania, 2011-2014.
- Organize and manage clinical workload
- Leadership skills

**RESEARCH:**

- **PhD – “ The management of open globe injuries”** – “Lucian Blaga” University, Sibiu, last year PhD student
- Unmasked injector in Harrier, Sequoia/Cedar Study
- Experience of routine clinical audit
