Annexe no 7: Other specifications:

Between November 1998 - October 1999 I did a clinical stage in the Hematology Service of Haut-Leveque Hospital from Bordeaux (France), and I made post-universitar studies to the „Victor Segalen” Bordeaux2 University, finished by an „attestation of specialised formation in

hematology”, after the presentation the memorial entitled „Les Allogreffes dans les Lymphômes” [The Allogeneic Bone Marrow Transplantations in the Malignant Lymphomas].

In 12.06.2001 I presented my doctoral thesis intitled “Contribuții la profilaxia și tratamentul experimental și clinic al fibrozei hepatice” [Contributions to the prophylaxy and experimental and clinical treatment of liver fibrosis], under coordination of Prof Dr Liviu I Safta, to the University of Medicine and Pharmacy Cluj-Napoca, which received the qualificative “very good” + “magna cum laude”, for the numerous articles published in the field and for the monography „Liver fibrosis”.

In 2006, my biography was included in the princeps edition of „Who's Who în România Medical” [Who's Who in Medical Romania], edited by PEGASUS PRESS, Bucharest and in many international editions of „Who's Who in Science and Engineering”.

My biography was published in the issue Ostin C. Mungiu, Irina M Jalba. Farmacologi și toxicologi din România, Ed Gr T Popa, Iasi; 2007: 58-59.

I am a member in the editorial committees of the following journals:

- Journal of Experimental, Medical and Surgical Research (Timișoara); “Journal of Cancer Research and Treatment” (since January 2013) (<http://www.sciepub.com/journal/JCRT>), indexed in Google Scholar, Academia, Computer Literature Index;
- “Journal of Cancer Research and Treatment” (<http://www.sciepub.com/journal/JCRT>), indexed in GoogleScholar, Academia, Computer Literature Index;
