The doctoral studies, regarded as the third cycle in the higher education system following the Bologna Process, represents one of the top priorities of Lucian Blaga University of Sibiu.

The prestige gained by the ULBS's doctoral education owes to the excellence in the field, the quality and competitiveness of the programs, and to the overall performance of the university.

In the over 30 years since the establishment of this doctoral center, 1,600 doctoral degrees were awarded in the 15 existing doctoral fields.
